We collect Personal Data of any other person entering the monitored areas whether inside areas or surrounding areas (collectively, “**you**”, or “**your**”) through CCTV. This privacy policy (“**Privacy Policy**”) provides information regarding the collection, use, and/or disclosure of your identifiable data (“**Personal Data**”) by the Company.

From time to time, we may change and/or update this Privacy Policy. We will provide additional notice of significant changes and/or updates. We will post the date on which our Privacy Policy was last updated at the top of the Privacy Policy. We encourage you to read this Privacy Policy carefully and to check Privacy Policy regularly to review any changes and/or updates we might take in accordance with the terms of this Privacy Policy.

1. PERSONAL DATA WE COLLECT

We collect stills or motion pictures and pictures of your asset (e.g., your vehicle) when you enter monitored areas whether inside surrounding areas through CCTV. Including relevant details such as the date and time you passed through the area. (“**CCTV Details**”).

2. PURPOSES AND LEGAL BASES WHICH WE RELY ON FOR THE COLLECTION, USE AND/OR DISCLOSURE OF YOUR PERSONAL DATA

2.1 We may collect, use, disclose, transfer, and carry on any actions which shall include but not limited to recording, possessing, destroying, deleting, retrieving, compiling, copying, sending or storing, (collectively, “Processing”) CCTV details and other Personal Data related to you for “**The Purposes of CCTVs Installation**” per below:

- (a) To protect health and security including your asset and of the Company;
- (b) To protect areas, premises, and asset from damages, failure, destruction, and other crimes;
- (c) To support government agencies on law enforcement in order to suppress, prevent, detect crimes including lawsuit arising from crimes;
- (d) To effectively support dispute resolution during disciplinary procedure or complaint lodging;
- (e) To support investigation or proceeding regarding complaints or whistleblowing;
- (f) To support establishment and exercise of civil claims, criminal claims, or legal proceedings.

2.2 CCTVs run 24 hours every day and record no sound.

2.3 We install indication signs at CCTV monitored areas so that you are notified that there are CCTVs installed in such area.

3. LEGAL BASES WHICH WE RELY ON FOR PROCESSING OF YOUR PERSONAL DATA

We will not processing CCTV Details and other Personal Data related to you based on the following lawful basis:

- (a) **vital Interest**, for preventing or suppressing a danger to a person's life, body or health;
- (b) **Legitimate Interest**, for the purpose of our legitimate interests in protecting your health and security including your asset, buildings, premises, and our asset and any other actions according to the purposes of CCTV installation. We will ensure that your fundamental rights and freedoms, and privacy are properly protected and proportionate to those legitimate interests.
- (c) **Legal Compliance**, for fulfillment of our legal obligations under the applicable laws including but not limited to safety and working environment law. We believe that the installation of CCTVs is a necessary measure for us to achieve such purpose;
- (d) **Public Interest**, it is necessary for the public interest that the company has a duty to act according to relevant laws or as assigned by an authorized government agency. The Company will provide appropriate measures to protect your fundamental rights and interests.

4. DISCLOSURE OR TRANSFER OF YOUR PERSONAL DATA TO THIRD PARTIES

To achieve the purposes of CCTV installation. The Company shares information from CCTV with companies in the ROCTEC group for data management and may disclose information from CCTV to third parties to whom CCTV details and other personal data related to you will be disclosed. The Company will take steps to ensure that any third party or agency that receives Personal Data from the Company will comply with this Privacy Policy in order to strictly protect Personal Data.
